

[illegible]

A visual representation of the number 80 using base ten blocks. It consists of 7 large blocks, each representing a ten, and 10 small blocks, each representing a one. The blocks are arranged in two rows: the top row has 7 tens blocks, and the bottom row has 7 tens blocks followed by 10 ones blocks.

A horizontal number line with arrows at both ends. Below the line are ten empty boxes for digits, each with a vertical line extending downwards. The boxes are arranged in two groups of five, with a gap between them.
